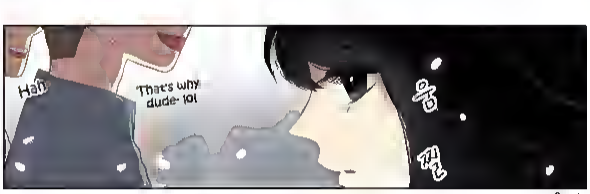
My Shiny World

Story/Art. Maru



SFX: flinch

My name is Lee Yurim. I am a 20-year-old college student.

I'll have to be careful today. The streets have a lot of blackened out people.

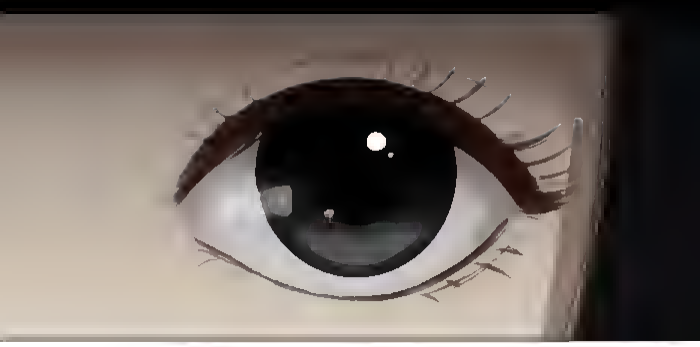
I am afraid of people.

You never know when a person will change.

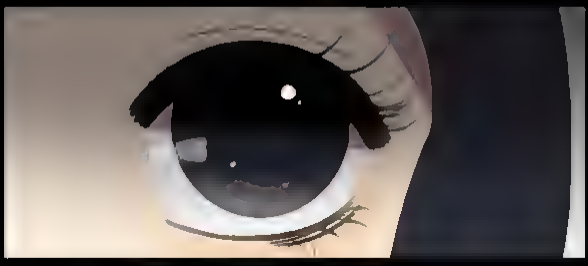
There is no such thing as a truly good person.

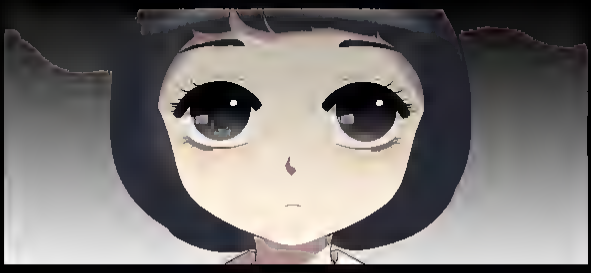
I know how people really are.

And, I can literally see the instant they change.



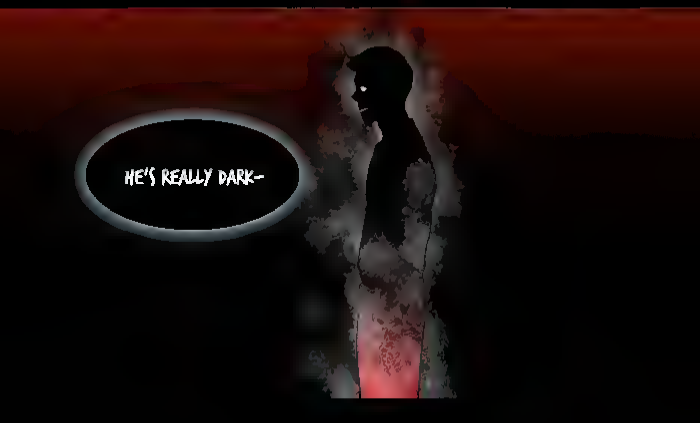
The first time I noticed something strange was back in kindergarten.



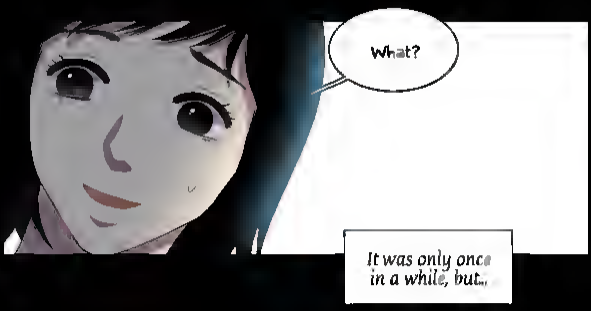


I think it was when
I first began to recognize
right from wrong

Mommy, that man is weird.
Hmm?
Oh my, it's Mr. Seo.
Mr. Seo is weird.
Hmm?
He's a nice man. Do you want to say hello?
No.



HE'S REALLY DARK-



I saw people enveloped in a shroud of darkness

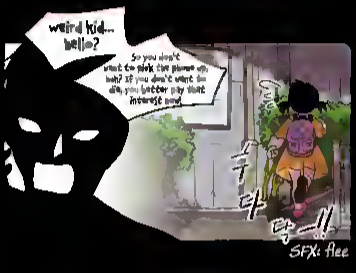
Lots of domestic abuse must have been going on over there. A big ruckus happened last night and they ultimately carried out the woman ...it was a mess.
You just can't tell by the cover.
Startled
Seo..? Mr. Seo?

My mother, who at first disregarded my words as trivial,
Eventually realized that I was strange after several similar incidents.
This is a secret between you and me Yurim. All right?
Even if it looks strange, only talk to me about it.
Let's keep this a secret from other people. Okay?
Even from daddy?
Yes. Even from daddy. Just between the two of us only.

Okay! I'll keep it a secret!

When I was young, a promise with my mother held absolute authority so it wasn't hard to keep

The issue was that as I grew up, I slowly became aware of what was happening



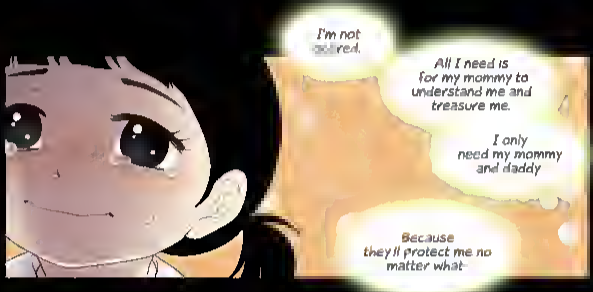
It's scary! I'm scared!

Why am I the only one who can see it?

Why are people dark? Why only me?

Whenever I asked those questions my mother told me this.

Yurim, your eyes are telling you who the bad people are
Whenever you see those bad people, make sure you always avoid them and only tell me what you saw



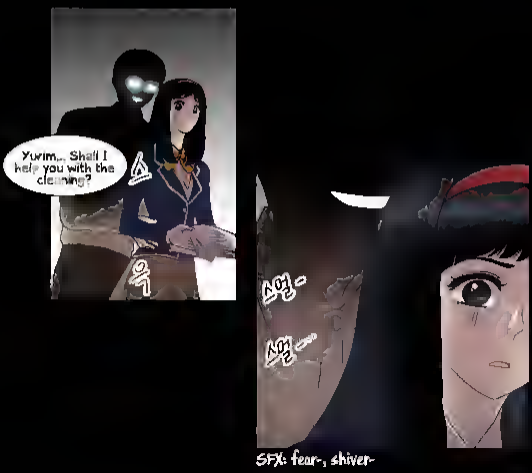
I'm not scared.
All I need is for my mommy to understand me and treasure me.
I only need my mommy and daddy
Because they'll protect me no matter what

The real troubles began after puberty had passed and I had matured.

My last year of high school.

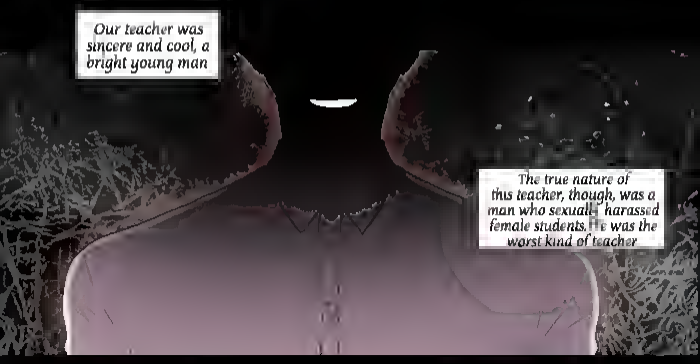
My homeroom teacher was thought of as very nice and was pretty popular because of that.

But...

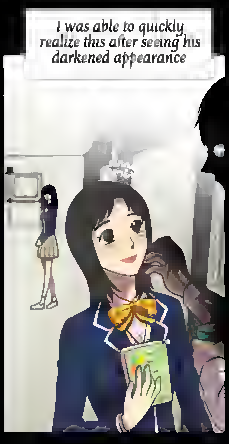


This person is slowly being covered by the darkness. Like the fog.

What is this? What's going on?

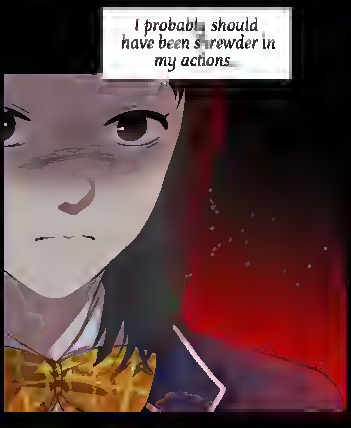


Our teacher was sincere and cool, a bright young man
The true nature of this teacher, though, was a man who sexually harassed female students. He was the worst kind of teacher



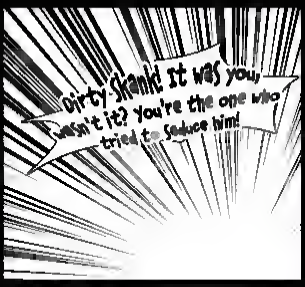
I was able to quickly realize this after seeing his darkened appearance

Sunkee, I think our homeroom teacher is a bit strange. I think it's a good idea if you've more careful.
Take care to not get caught up in something bad



I probably should have been shrewder in my actions

I was our teacher's next target, and...
I kept dodging his advances and waited for a chance to counterattack

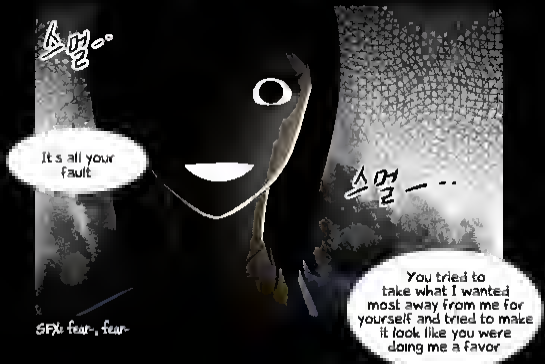


However My best friend was already in a heavy relationship with our teacher

What happened next was...

Hey, Lee Yurim. I heard you went after your homeroom teacher?
Crikey bitch. Is it true they went all the day?
Surely you knew that Sunhee really liked him? Aren't you besties?
How could you do that? Disgusting!
I won't forgive you if you hurt the teacher or Sunhee!

Yes I started the rumors



It's all your fault
You tried to take what I wanted most away from me for yourself and tried to make it look like you were doing me a favor
SFX: fear-, fear-

"Ill Will"

This black light represents a person's ill will.
A person's desire to hurt others.
Perfectly normal people can also change at any moment.

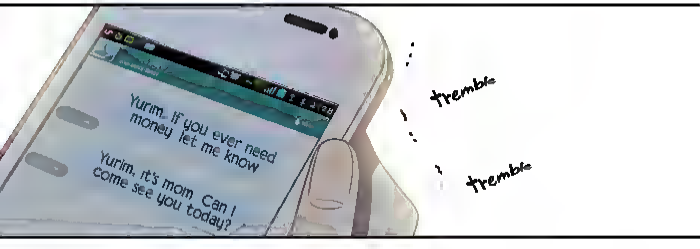
After enduring through a 'few more' incidents, I left school.

However, that's not why I lost all trust in people.

No, the reason why I can't believe in people anymore is...

If only that last source of light didn't fade away-

'Yurim, it's mom. Can I come see you today?'



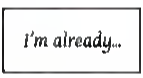
Ah, I wonder why I can't see my own black light.

I'm sure it'd be as black as can be.

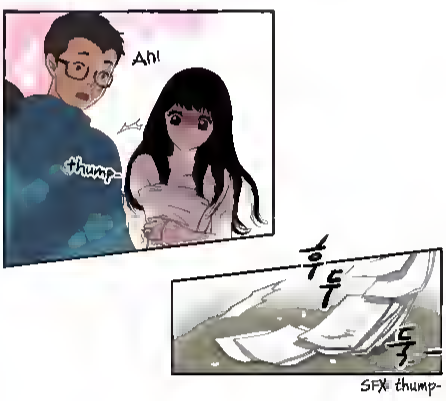
Dark and unseemly

And why is it that my eyes can see this black light of all things

It's dark and makes me feel bad



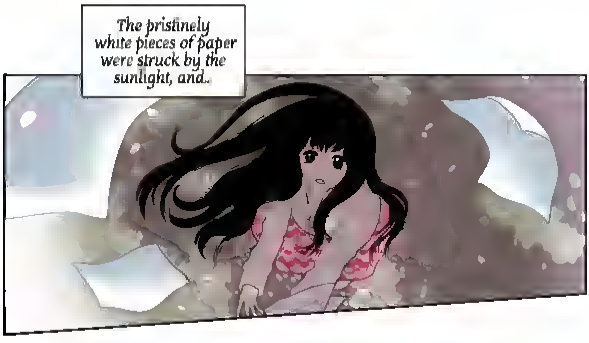
I'm already...



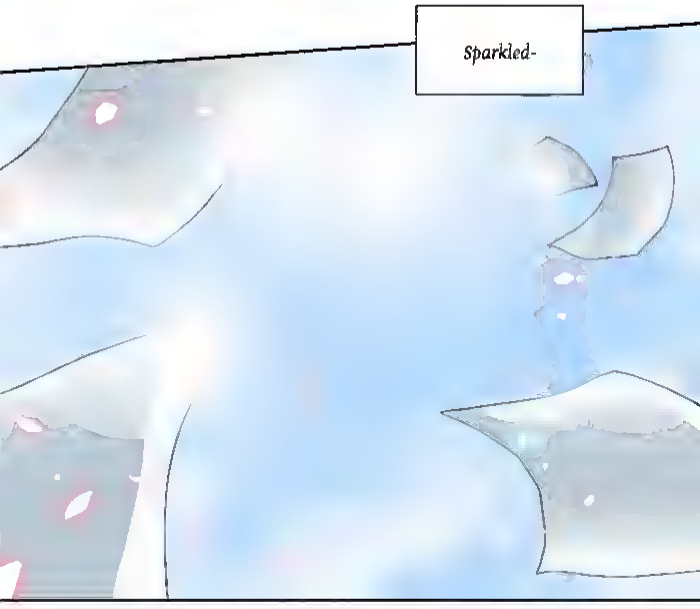
Ah!
thump-
SFX: thump-

I'm sorry
Just go!
You idiot.
She's cute
I should look in front of me while walking.
How embarrassing

SFX: shaaa-



The pristinely white pieces of paper were struck by the sunlight, and..



Sparkled-

Pretty-

Why is it that my eyes-
SFX hwik

..can see something like this?

Ah, the cherry blossoms are dying
Hmm?
Huh?
휘잉—
kyaa!
SFX: whoosh~
What the—?
Waah!
This can be considered littering, you know
What the, looks like pages from a textbook, and a report

Running's not exactly ideal right now... wonder if I can catch up
If I can't catch up, what do I do with this stuff— Throw it away?
She sure walks fast... Blah. There she is, looking all sad
Well, I caught up!
Hey there-
